Sunday 2005 Make-Up Schedule

March 20--DOUBLEHEADERS

This make-up schedule is an effort to maintain a seven game season despite the extremely wet conditions we have experienced. The 6pm and 8pm games for each field are as scheduled from March 20th. The 7pm and 9pm games are supplemental games to insure that every team has the opportunity to play seven games. Therefore, there is a possibility that one team may play another more than once throughout the remainder of the season. Unfortunately, this is the only viable solution at this time. The make-up games for February 13 will be played April 17 as scheduled with the tournament scheduled to begin April 24.
